## **Should I take the Lord's Supper here?**

The Bible warns us not to take the Lord's Supper in an unworthy manner. We are to examine ourselves before we come before the table of the Lord. A minister of the Gospel has an obligation in the administering of the Lord's Supper to warn people who should and who should not be taking it.

If you are not a member of Faith Bible Church please consider the three following questions:

*Have you received Christ and are you resting upon Him alone as He is offered to you in the Gospel?*

*Are you a baptized member, in good standing, in a church that professes the gospel of God's free grace in Jesus Christ?*

*Are you striving to live a repentant life as you seek to walk in godliness before the Lord?*

If you answer "yes" to all three of these questions, then you can feel free to partake in the Lord's Supper as it is administered.

If you answer "no" to any of these questions, we encourage you to not partake in the elements as they are passed.

If you have any further questions regarding the Lord's Supper and your participation please visit with Pastor Todd or one of the Ruling Elders following the service.
